ADMISSIONS REQUIREMENTS

FIRST-YEAR STUDENTS

You are eligible for automatic admission if you are on-track to complete your high school course pattern requirements, and meet one or more of the following criteria:

- Your cumulative high school GPA is at least 2.75 / 4.0
- You are ranked in the top 10% of your graduating class
- You have a 23 ACT or a 1130 SAT

Not quite there? We'll consider your admission application through a holistic review process if your cumulative high school GPA is at least 2.0/4.0 — we'll consider every factor we can in your favor. Students admitted through this process are welcomed with a program providing support through academic coaching, advising, mentoring, and tutoring.

TRANSFER STUDENTS

- You have 12 transferable semester hours / 18 quarter hours (Students with fewer than 12 transferable hours must also meet first-year admission requirements)
 - Your transferring GPA is at least 2.0 / 4.0
- Transfer students are eligible for automatic admissions if they obtain the following degrees:
 - AA or AS from an Illinois community college
 - CORE 42/AA from a Missouri community college
 - AA or AS degree from the Kentucky Community and Technical Community College System
 - AA or AS from Nashville State Community College (TN)

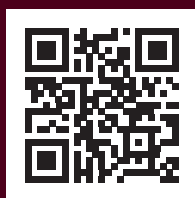

SELECTIVE ADMISSIONS PROGRAMS

The following academic programs require a secondary application and a subsequent review after university admission. All programs have a priority deadline of November 1 (February 15 for transfer students), unless otherwise noted.

LIVE YOUR BEST SIDE

GET INVOLVED. FIND YOUR PACK.

At SIU, your experience goes far beyond the classroom. Live in a community where your neighbors share your major or interests. Join Student Government, go Greek, or explore 200+ student organizations. Whatever you're into, you'll find people who get you—and memories that last long after graduation.

SUPPORT THAT SHOWS UP

You're never on your own here. The Student Multicultural Resource Center celebrates and supports all identities. The Office of Access and Accommodations ensures equal access for every student. Veteran Services helps military-connected students make the most of their benefits. And the First Year Experience connects you with resources, mentors, and guidance from day one.

LIVE WHERE YOU LEARN

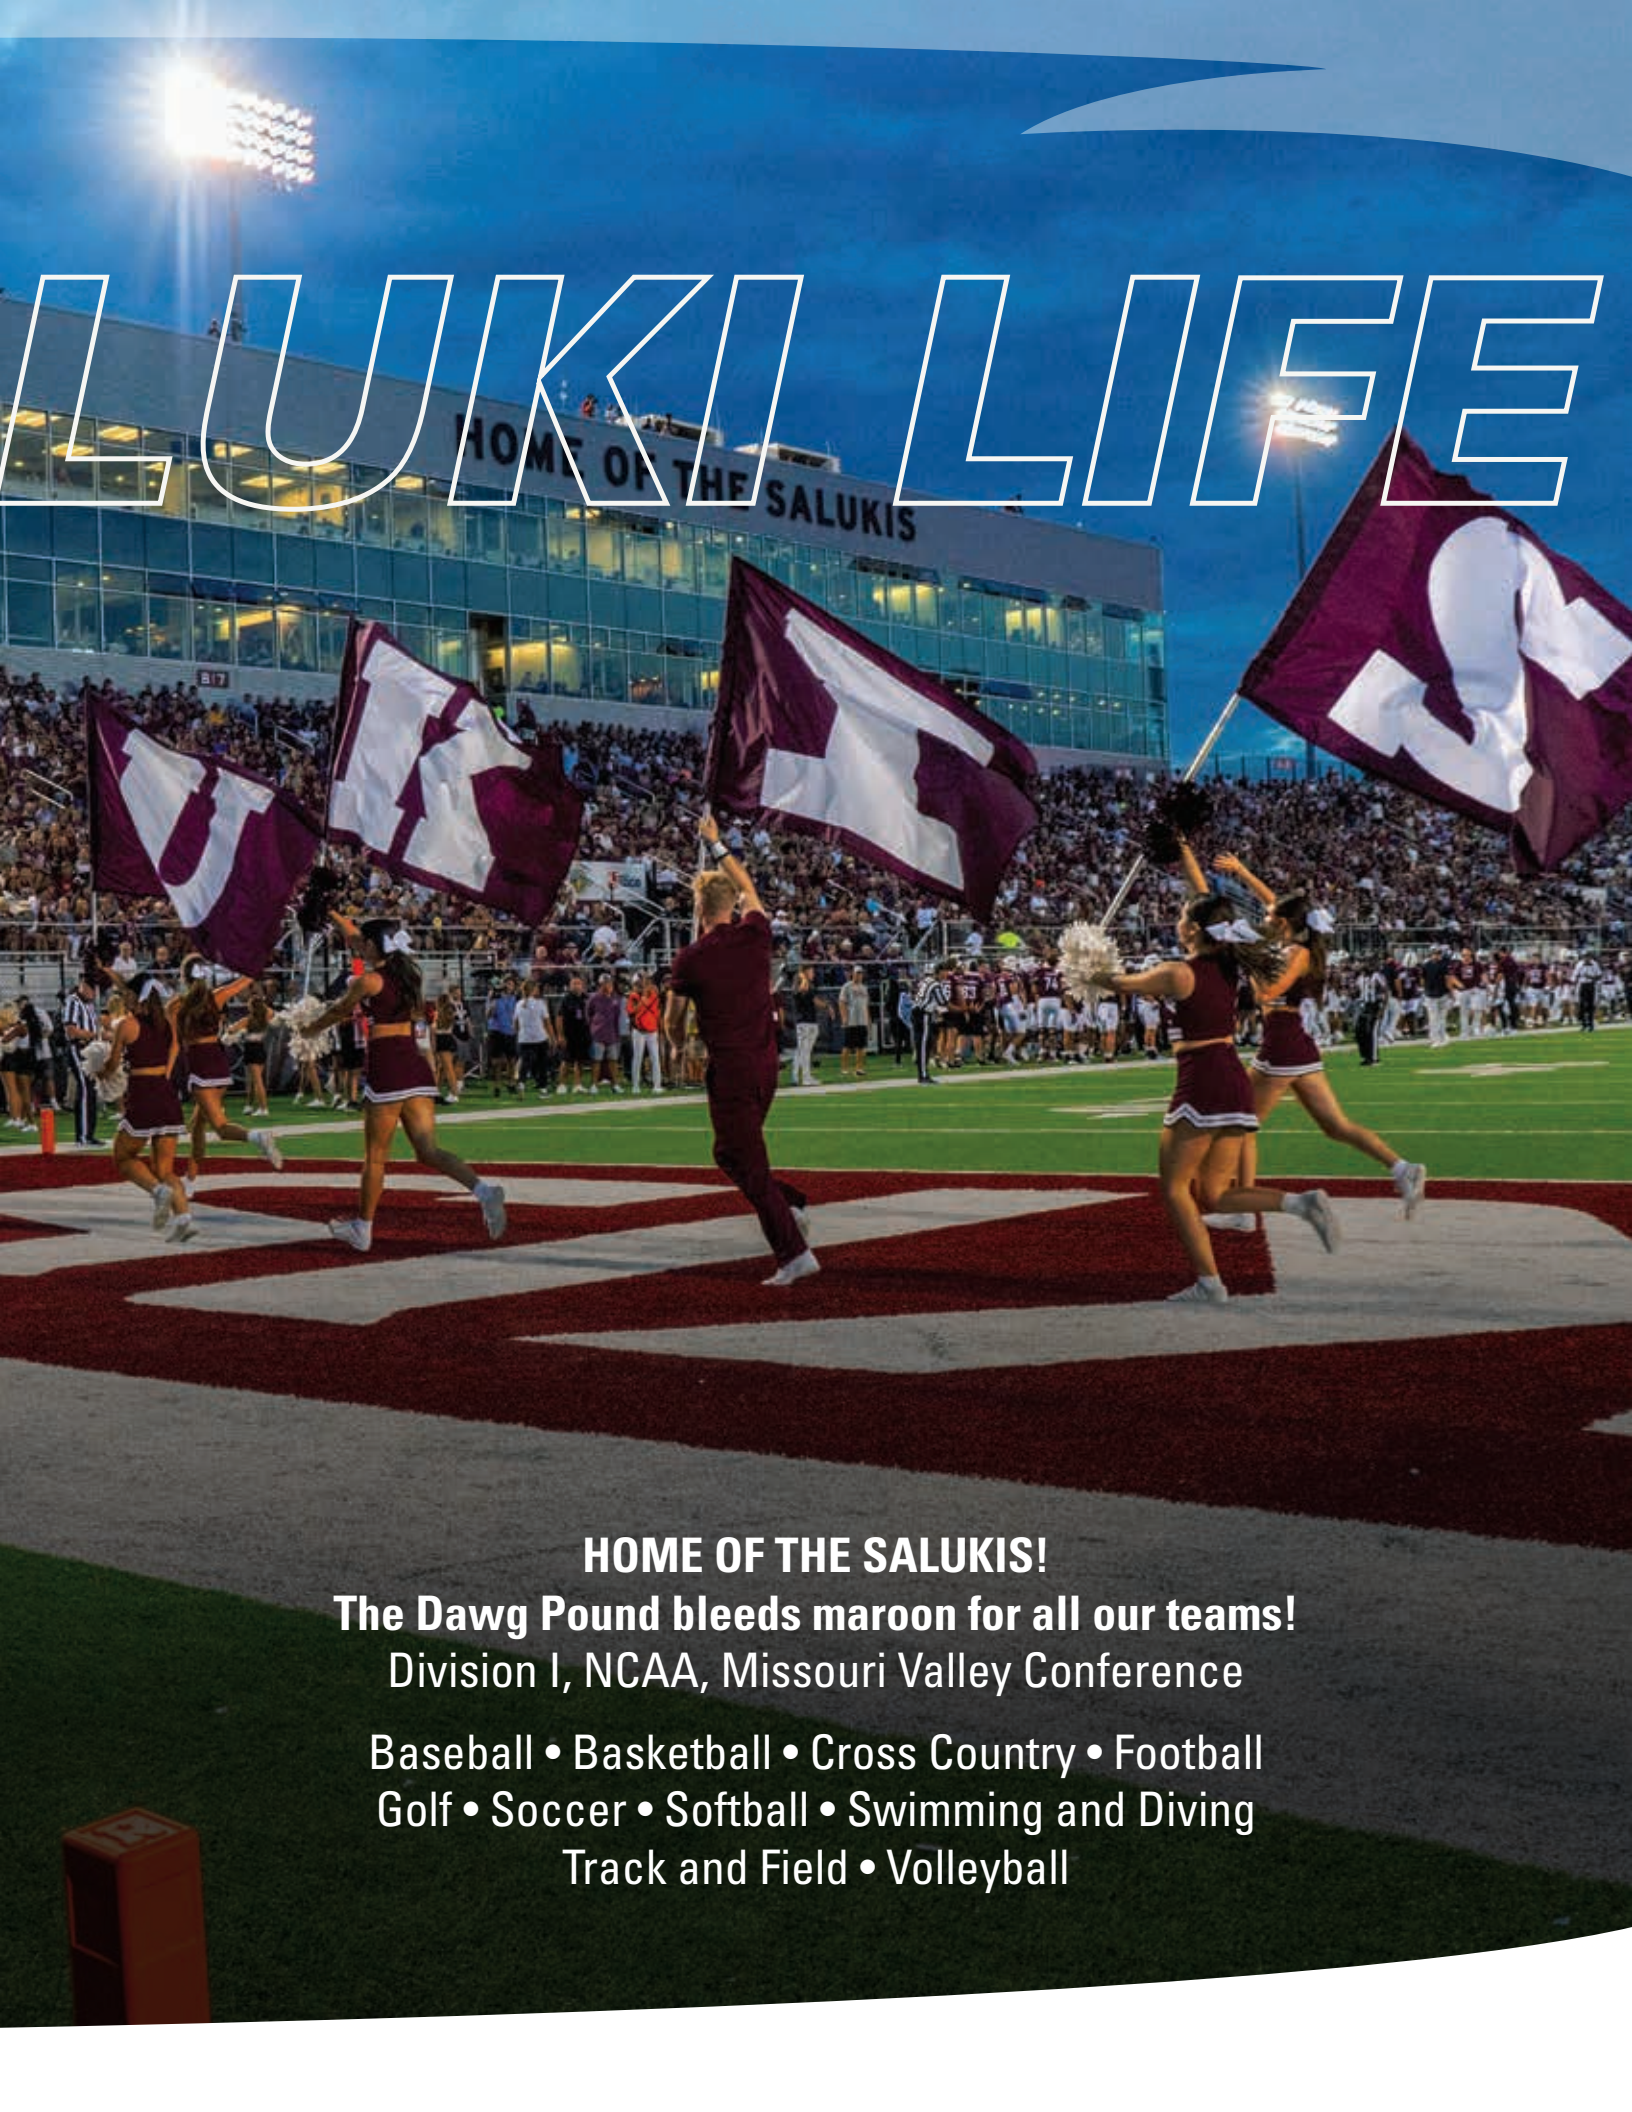

Beginning Fall 2026, new freshmen will live on campus for their first two years.* Why? Because students who do earn higher GPAs, build stronger connections, and graduate on time. From traditional halls to suites to Living Learning Communities, you'll find a space that fits—and a campus that feels like home. *Some exemptions apply based on distance, age, or family status.

Major and Minor List Key

Maroon text – Major

Black text (indented) – Specialization or concentration within a major

Minors – Listed in the “Additional Minors Offered” section. *Most majors are also available as minors.*

Pre-Professional Tracks – Suggested paths to prepare for professional schools such as medicine, law, or veterinary medicine

Most programs listed are offered on campus. Some are also available in online formats:

*Online Degree Completion Program (primarily for students with prior college credit)

**Fully Online Program (can be completed entirely online from start to finish)

SALUKIS

R1 TOP-TIER
RESEARCH
UNIVERSITY

WE'VE LEVELED UP. R1.

It's official—SIU is now ranked Research 1, the highest national research classification. We're also an Opportunity University, recognized for expanding access and opening doors. Only 16% of universities in the country hold both distinctions.

WHAT DOES THIS MEAN FOR YOU?

More hands-on classrooms, labs, and studios. More chances to do research, land internships, and join the Honors Program. More academic support, like tutoring and the Writing Lab. More ways to explore—on campus and abroad. More of what matters to you.

DEFY DISTANCE.

Life and education can move forward together. At SIU, you can complete your degree from anywhere with 100% online programs. Prefer in-person support closer to home? We bring SIU to you through off-campus sites and partnerships across the region. No matter where you are, we're here to help you take the next step toward your goals.

DO

The background of the image features three bronze statues of horses in various running poses, set against a backdrop of tall grass and a blue sky with scattered clouds. The statues are highly detailed, showing the musculature and movement of the animals.

NOT STOP

***They say it's too hard?
We say, "Let's get started."***

LET'S TALK **MONEY.**

When available, complete a FAFSA at fafsa.ed.gov. Our school code is: **001758**. Some students are selected for verification. The SIU Financial Aid Office will contact you if we need more information.
